Expression of Interest

West Bengal State Warehousing Corporation invites Expression of Interest from Leading Manufacturers/Authorised Agents of the Manufacturers/ Service Organisations or any other firm having expertise in the field of Repairing, Servicing, Maintenance of Weighbridges and deployment of weighbridge operators at the SWC managed storage godowns stretching throughout the state of West Bengal for Comprehensive Annual Servicing, Repairing, Maintenance including Re-Calibration and Stamping of Weighbridges and deployment of weighbridge operator installed at about 65-70 locations spread throughout West Bengal.

Interested parties are requested to submit Expression of Interest (EoI) mentioning the names & particulars of the applicants, full address of communication, contact no, e-mail Id, experience, financial solvency etc. within 25.10.2017 upto 5.00 pm for consideration. The EoI need not contain any bidding details. The EoI must be sent in the form of an email titled “**Expression of Interest for maintenance of weighbridge**”.

The EoI may contain the following parts:

1. Details of the firm
2. Experience of the firm in the relevant field
3. Proposal for covering the Scope of Work detailed below – how the work will be executed
4. Whether all the locations can be covered by the firm or selected locations (do note, the work shall be split, if required, as per the discretion of the Corporation only)

The EoI document must not be more than 10 pages.

The period of contract will be initially for three years which may be extended for further term/s as per agreed rate as per requirement of the Corporation. Final selection of vendors shall be done after subsequent tender yet to be finalized.

Scope of work	<ol style="list-style-type: none"> 1. Repair of weighbridges as required. 2. Re-calibration as required. 3. Stamping by the Legal Metrology authority with validity for the tenure of the contract 4. Comprehensive Maintenance, including ALL parts, as required for the tenure of the contract 5. Physical visits by service engineers, at least 4 times during each year 6. All defects shall have to be repaired and service restored within reasonable (agreed upon) time, failing which penalty shall be imposed on a daily/periodic basis 7. Provision of manpower to operate the weighbridges <ol style="list-style-type: none"> 1. Operators shall be properly trained 2. In case of leave or absence, substitute personnel shall be provided on ALL days 3. Operators shall be computer literate and shall also operate additional software for weighbridges as may be given by the Corporation at a later time. 4. Operators shall maintain discipline and shall be under the operational control of the authorities of the Corporation.
----------------------	---

Interested parties are requested to attend a discussion before the undersigned at his office on 23.10.2017 at 2.00 pm for interaction regarding the nature of works required to be performed by the party before uploading the expression of interest. Details of attendees must be emailed/telephoned beforehand, latest by 22.10.2017.

The undersigned reserves the right to accept or reject all the applications at any time without assigning any reason.
